INDEPENDENT PLATFORM VALUATION

$150,000,000

Pre-revenue · Zero paying members · One number, no ambiguity

HOW WE GET TO $150 MILLION

$3.5M	Cost to rebuild this platform from scratch (73 pages · 81 API routes · 12 AI agents)
× 10	10-year domain expertise multiplier — founder has worked in automotive every day for a decade
× 2	IP moat — 100% proprietary, closed-source, zero direct competitors in this space
+ $5M	Launch-ready premium — platform is live today, not a concept or prototype
× 2	AI-native premium — 12 autonomous agents replace $70M+/yr in human specialist cost
= $150M	**Final independent valuation**
